Re: Nomination of Justice Tamika Montgomery-Reeves to the Third Circuit

Dear Senator Durbin and Senator Grassley:

I write on behalf of the Delaware Chapter of the Federal Bar Association (“Delaware FBA”) to support Justice Tamika Montgomery-Reeves’s nomination to serve as a judge on the U.S. Court of Appeals for the Third Circuit.<sup>1</sup> The Delaware FBA is an organization of over 300 attorneys who practice regularly before the U.S. District Court for the District of Delaware and other federal courts in the Third Circuit. The practice areas of our members are as diverse as the issues handled by the Third Circuit and include bankruptcy, criminal law, civil rights, corporate law, employment law, and intellectual property. As an organization, we work to address issues that are of importance to federal practitioners in these areas and to sponsor continuing legal education seminars that are of interest to our members.

The Delaware FBA strongly supports Justice Montgomery-Reeves’s nomination without reservation. Having served as a partner at Wilson Sonsini Goodrich & Rosati in Wilmington, Delaware, as a Vice Chancellor on the Delaware Court of Chancery, and as an Associate Justice on the Delaware Supreme Court, Justice Montgomery-Reeves is extraordinarily well-qualified to serve on the Third Circuit. Known for her keen legal mind, integrity, sound judgment, thoughtfulness, collegiality, and desire to build consensus, Justice Montgomery-Reeves will no doubt be an asset to the federal judiciary.

Justice Montgomery-Reeves is a pillar of the Delaware legal community and a dedicated public servant. She is a role model for many in the State of Delaware. The Delaware FBA is proud to support her nomination and looks forward to the many accomplishments yet to come in her legal career.

Sincerely,

A handwritten signature in cursive script that reads "Jeremy A. Tigan".

Jeremy A. Tigan  
President, Delaware FBA
