The Honorable Charles Grassley  
Chairman, United States Senate Committee on  
the Judiciary  
224 Dirksen Senate Office Building  
Washington, D.C. 20510

Dear Chairman Grassley:

On behalf of former President George W. Bush, we enclose a production of publicly releasable versions of records that were initially produced to the Committee on September 3, 2018 relating to Judge Brett M. Kavanaugh's service in the White House Counsel's Office. We are making these documents available via FTP link to the designated Committee staff, with the "Committee Confidential" stamp removed from these documents. They may be released immediately to the public if the Committee so chooses.

The public production of these records requested by the Committee does not constitute a waiver of any privileges that may apply in any other context to the subject matters to which these records relate.

Respectfully,

William A. Burck
