Re: Nomination of Tiffany R. Johnson to the United States District Court for the  
Northern District of Georgia

Dear Majority Leader Schumer, Minority Leader McConnell, Chair Durbin, and Ranking  
Member Grassley:

We are current and former federal prosecutors with the United States Attorney's Office for the Northern District of Georgia who have worked with Tiffany Johnson during her impressive career as an Assistant United States Attorney. We have served with Ms. Johnson under both Democratic and Republican administrations, and we include members of both political parties as well as independents. We write this letter to offer our unequivocal support for Ms. Johnson's nomination to the United States District Court for the Northern District of Georgia.

We have a wide range of experience working with Ms. Johnson, including as supervisors, as co-counsel, on the same committees, and in mentor-mentee relationships. She has worked in both the Civil Division and the Criminal Division of the office and currently is a key member of the Public Integrity & Civil Rights Section. In those roles, she has broad experience in federal court and has demonstrated exceptionally high-quality work. Based on her excellent work, she was assigned to the trial team for one of the office's most significant set of cases relating to corruption in Atlanta's city government. She has also briefed and argued

multiple cases before the Eleventh Circuit Court of Appeals. Ms. Johnson has consistently demonstrated her good judgment, strong work ethic, deep experience, and commitment to the rule of law. Her experience will serve her well on the bench.

Collectively, we have served in multiple United States Attorney's Offices for over 250 years. We have handled thousands of civil and criminal cases and more than 100 jury trials. Our aggregate experience informs our judgment that Ms. Johnson will prove to be an outstanding federal judge, possessing the judgment, temperament, compassion, integrity, and commitment to justice we expect from the judiciary.

Respectfully,

Richard Moultrie
