Hi

Irakli was at the meeting and was the link between the Agalarov's and these folks who requested meeting. I have no idea of names of the others but Irakli most likely will.

Hi Alan

I am in Europe and was

Called by a barrage of media yesterday saying my name was mentioned in a statement somewhere.

Washington Post was going to say something incorrect about my role - and so I answered them ... I have not spoken with anyone else.

I had asked last week if we could be sent a copy of your statement and any

Other official statements - which we never received - to be prepared and perhaps draft our own statement.

The meeting was a complete waste of time and Don was never told Ms. Veselnitskaya's name prior to the meeting. Ms. Veselnitskaya mostly talked about the Magnitsky Act and Russian adoption laws and the meeting lasted 20 to 30 minutes at most. There was never any follow up and nothing ever came of the meeting."
