The Honorable Michael E. Horowitz
Inspector General
U.S. Department of Justice

Dear Inspector General Horowitz,

A recent news report has indicated that the FBI raided the home of a “whistleblower,” Mr. Dennis Nathan Cain, who provided documents regarding the Clinton Foundation and Uranium One transaction to your office.¹ The report also notes that after receiving the documents, you provided them to the House and Senate Intelligence Committees. It appears, based on the reporting, that these documents were provided to your office under the Intelligence Community Whistleblower Protection Act. Further, it appears that the documents pertain to matters that fall within this Committee’s jurisdiction and matters upon which this Committee has inquired. Accordingly, I request that you produce all documents to the Committee and provide an update with respect to the steps you have taken, or plan to take, regarding the FBI’s treatment of Mr. Cain’s disclosures no later than December 12, 2018.

Should you have questions, please contact Josh Flynn-Brown of my Judiciary Committee staff at (202) 224-5225.

Sincerely,

Charles E. Grassley
Chairman
Committee on the Judiciary
