Dear Chairman Schumer, Ranking Member McConnell, Chairman Durbin, and Ranking Member Graham,

On behalf of the International Law Enforcement Officers Association (ILEOA), I am writing to express our strong endorsement of Adeel Mangi's nomination to the US Court of Appeals for the Third Circuit.

Throughout his illustrious career as a litigator with Patterson Belknap Webb & Tyler LLP, Mr. Mangi has consistently displayed all the qualities of an excellent judge. His sterling credentials, extensive legal experience before trial and appellate courts, leadership within the legal community, and demonstrated commitment to upholding the highest ethics and fair administration of the law make him an exceptional candidate for this position.

Mr. Mangi's dedication to pro bono legal work on behalf of people of all faiths and backgrounds showcases his commitment to justice and equality. His record clearly demonstrates his respect for the rule of law and the vital role of law enforcement in promoting public safety. We believe that his professional accomplishments, integrity, and unwavering commitment to upholding the Constitution make him a highly deserving candidate for the federal judiciary.

ILEOA urges the Senate to swiftly confirm Mr. Mangi's nomination to the Third Circuit. His appointment would greatly contribute to the fair and impartial administration of justice in our country.

Thank you for your attention to this matter. We appreciate your consideration of our endorsement and look forward to witnessing Mr. Mangi's continued success in his judicial career.

Sincerely,

Leandro Paulino
