**Letter in Support of Adeel Mangi's Confirmation to the
United States Court of Appeals for the Third Circuit**

We, the undersigned, are former law enforcement leaders from New Jersey. We have broad experience in both the federal and state courts, with many of us having practiced in courts within the jurisdiction of the U.S. Court of Appeals for the Third Circuit. We are a bipartisan group. Two of us have served under Republican Governors, one of us under a Democratic Governor, one of us has served under a Republican U.S. Attorney General and President and another under a Democratic U.S. Attorney General and President.

Given our experiences, we write in support of Mr. Adeel Mangi's confirmation to the Third Circuit. It is our collective judgment that Mr. Mangi is eminently qualified to sit on the Court. Mr. Mangi's legal career has been exemplary of a commitment to the rule of law and upholding constitutional principles.

We need not recite his qualifications, which speak for themselves. Suffice it to say, he has a keen intellect, even temperament, a strong work ethic, high integrity and a sense of fairness. Those are the characteristics of a good judge. Mr. Mangi has those characteristics in full measure. So much so, we are confident that he will serve not only as a good judge but an exceptional judge.

March 19, 2024

Our judiciary is stronger when we have individuals with the breadth of Mr. Mangi's experience and his commitment to equal justice under the law. We urge swift confirmation of his nomination.

Respectfully submitted,

Honorable Peter G. Verniero
