The Honorable Lindsey Graham  
Ranking Member  
Committee on the Judiciary  
United States Senate  
Washington, DC 20510

Dear Senators Durbin and Graham:

This letter is written to support President Biden's nomination of Montgomery County Pennsylvania's Court of Common Pleas Judge Gail A. Weilheimer to serve on the United States District Court for the Eastern District of Pennsylvania.

Judge Weilheimer has served the people of Southeastern Pennsylvania for over a decade. She brings a wealth of experience ranging from serving with the Philadelphia District Attorney's Office, as an Abington Township Commissioner and as a Judge with the Montgomery County Court of Common Pleas. She is a committed public servant with a solid background and as a resident of Abington, PA, Judge Weilheimer has shown her commitment to the public and the residents she serves.

Also, it is not just her legal experience that makes Judge Weilheimer an exceptional choice. It's also her personal qualities that give us full confidence that she would be the finest choice to serve in this position; it's her work ethic and family values; and, most importantly, her passion for the profession and her compassion for all those involved in court cases that define her as truly exceptional.

We fully support and endorse Judge Weilheimer to serve on the US District Court for the Eastern District of Pennsylvania.

Sincerely,

*William McVey*

*David Splain*

*Patrick Molloy*
