As a longtime resident of the District of Columbia who has served the Metropolitan Police Department for the past 26 years, I believe that I am uniquely qualified for this position of United States Marshal. During my tenure with the MPD, I have had an array of duties, which have afforded me an opportunity to learn the relevant job skills that will allow me to thrive in this post. As an active leader on the Council of Governments Police Chiefs Committee for close to a decade, I have developed excellent working relationships with law enforcement agencies around the city and the National Capitol Region. As fugitive task forces are built on interagency partnerships, I look forward to expanding those efforts. I have also overseen intelligence operations for the MPD and guided policy related to prisoner security and transportation, which are critical components of the United States Marshals Service.

Over the past eight years, I have served as the Assistant Chief for both the Homeland Security and Strategic Services Bureaus. As the MPD's first Homeland Security Chief, I oversaw the Special Operations Division and Intelligence functions of the agency. During this time, I coordinated a number of significant events, including President Obama's Inauguration in 2009, a Papal visit in 2008, a G-20 summit in 2008, and a host of interagency crises for which I served as the incident commander. As the Strategic Services Chief, I have been instrumental in revising policy, training, recruiting, and testing standards to enhance the efficacy of our agency.

My educational background consists of two Masters Degrees and myriad certificates and specialized training opportunities that have greatly enhanced my professional aptitude. I also serve as an adjunct professor in George Washington University's College of

Professional Studies, teaching both graduate and undergraduate courses in Emergency Management, Crisis Communications, and Media/Public Relations.

As a District resident, I have also been privileged to sit on a number of boards, including the Office of Police Complaints and the Peace Officers Standards and Testing Board. Throughout my career, I have been recognized for numerous achievements and have been the recipient of the police medal, lifesaving medal, achievement medal, and meritorious service medal. Additionally, I was recognized by the Cafritz foundation as one of five DC Government employees for “Highest Excellence in Government.”

Throughout my career in government, I have been a steward of fiscal responsibility and have managed resources and budgets with exceptional diligence. I have been fortunate to work with some remarkable people throughout my law enforcement tenure thus far and I look forward to bringing the same success to the United States Marshals Service.

If you are not an attorney, please use this opportunity to report significant charitable and volunteer work you may have done.

I am not an attorney; however, I provide the following information to report significant charitable and volunteer work I have done.

I have worked with Special Olympics DC for the past 8 years and led the Law Enforcement Torch Run efforts for the Metropolitan Police Department. I also played a key role in commencing a "Polar Bear Plunge" in the District of Columbia in support of the organization.

In 2005, while serving as an Inspector in the DC's Third District, I commenced a community event to fund a toy drive for underprivileged Latino youth. I have continued this toy drive every year since 2005.

I commenced a race in 2008 (The National Law Enforcement Officers Memorial Fund "Ride and Run to Remember") to raise funds for the National Law Enforcement Officers Memorial. This race has raised hundreds of thousands of dollars to support that cause.

I have volunteered as a Catholic Youth Organization coach intermittently for the past decade, coaching softball and basketball. I have also volunteered as a baseball coach for NW Little League for approximately five years.

Finally, I have worked in the various clubs noted above (Georgetown Visitation Fathers Club, Knights of Columbus, Men of St. John's, Little Flower Fathers Club), participating in numerous clean up days, open houses, cookouts, football games, rugby matches, charitable fund raising dinners, and auctions.
