Dear Chairman Durbin and Ranking Member Grassley,

On behalf the National Association of Drug Court Professionals and the 40,000 justice and substance use treatment professionals working in nearly 4,000 American drug courts, I write to express support for Judge Merrick B. Garland to be the next attorney general of the United States of America.

Judge Garland’s distinguished legal career as a prosecutor, private attorney, and federal judge gives him a unique understanding and makes him exceptionally qualified to lead the Department of Justice at this time. Judge Garland has served both democratic and republican administrations in his extensive career in the federal government before presiding over the U.S. Court of Appeals for the District of Columbia starting in 1997. Judge Garland’s experience, integrity, and dedication to the rule of law make him an ideal candidate for U.S. attorney general.

I am honored to support the nomination of Judge Merrick B. Garland to be the next attorney general of the United States of America.

Sincerely,

Carson Fox
Chief Executive Officer
