Dear Chairman Durbin, Ranking Member Grassley and Incoming Ranking Member Graham,

It is my honor to extend my support to Michael Delaney, former Attorney General for the State of New Hampshire to the United States Court of Appeals for the First Circuit.

I had the pleasure of working with Attorney Delaney from 2000-2012. I first started working with Attorney Delaney as a Victim/Witness Advocate on the homicide prosecution team. I was an advocate at the New Hampshire Attorney General's Office for 15 years and I am now the Victim Witness Specialist/Advocate at the United States Attorney's Office for the District of New Hampshire. I have worked with victims and prosecutors for 30 years.

I worked with General Delaney as the Attorney General and as his role as an Assistant Attorney General and homicide prosecutor. I found him to be unwavering in his drive for justice. He managed the law with the evidence. He was always compassionate and truthful with victims' families regarding the criminal justice system.

General Delaney was also a driving force behind the New Hampshire Cold Case Unit to prosecute long overdue unsolved homicide cases. This unit has solved many historical homicide cases in the State of New Hampshire therefore bringing suspects to face the criminal justice system and many generations of victims' family's justice.

Attorney Michael Delaney has integrity and honesty beyond the average person. A major sign of a great leader is that they are not afraid to make the tough decisions and that is Attorney Delaney. He has always showed an unending no biased interpretation of the Law.

Attorney Delaney is an excellent selection for United States Circuit Court Judge for the First Circuit. It has been a pleasure to work alongside someone so compassionate, ethical, and honest.

Sincerely,

Jennifer Hunt
Victim Witness Specialist
