Dear Majority Leader Schumer, Minority Leader McConnell, Chair Durbin, and Ranking Member Grassley:

We are prosecutors in the U.S. Attorney's Office for the Northern District of Georgia. We write to extend our enthusiastic support for the nomination of Ms. Victoria Calvert to the United States District Court for the Northern District of Georgia.

Ms. Calvert serves as a trial lawyer with the Federal Defender Program in Atlanta, Georgia. Each of us has handled and/or supervised multiple criminal cases where Ms. Calvert acted as defense counsel. Ms. Calvert is a vigorous advocate for her clients and a talented trial lawyer. Equally noteworthy is her unfailing display of civility and professionalism inside and outside the courtroom - a temperament particularly valuable in a jurist. Ms. Calvert approaches the zealous representation of her clients understanding that both parties - the government and defense - deserve respect.

We also appreciate Ms. Calvert's keen intellect and legal acumen. Whether representing a client during a trial, suppression hearing, or more routine proceeding - like a bond hearing, Ms. Calvert is a formidable advocate possessed of a calming and unflappable presence in the courtroom.

Collectively, we have served in multiple U.S. Attorney's Offices for more than 90 years, and have handled thousands of criminal cases and hundreds of jury trials. Our aggregate experience informs our judgment that Ms. Calvert will act as a fair and impartial District Court Judge; that she will adjudicate matters over which she presides with incisiveness; that she will treat litigants and parties with respect; and that she will insist on civility and professionalism in her courtroom. So we offer our unequivocal endorsement of her nomination.

Sincerely,

s/Richard S. Moultrie, Jr.
