The Honorable Charles E. Grassley
Ranking Member
Committee on the Judiciary
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman and Senator Grassley:

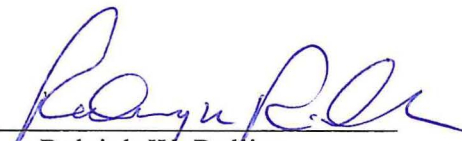

I understand that Sarah Geraghty has been nominated to the United States District Court for the Northern District of Georgia. Over the last several years, I have been involved in a number of lawsuits in which Ms. Geraghty has represented the opposing party or parties. In each of those cases, Ms. Geraghty was well versed in the law, but it was her approach that stood out. She was collaborative rather than confrontational and was willing to give due consideration to alternative perspectives. In addition, she has always been polite and even tempered. Because of her approach, we have been able to resolve all of our cases short of trial.

In my opinion, the same traits that make Ms. Geraghty an effective litigator will also make her a great judge. She is smart, knows the law, is willing to consider opposing viewpoints, even tempered and respectful to all. Because of those traits, I support the nomination of Ms. Geraghty to the United States District Court for the Northern District of Georgia.

Thank you for your consideration, and please let me know if I can provide you with any additional information.

Sincerely,

ALEXANDER & VANN, LLP
