Re: Nomination of Honorable Myong J. Joun for United States District Judge for the District of Massachusetts

Dear Majority Leader Schumer, Chairman Durbin, Minority Leader McConnell, and Ranking Member Grassley:

The below signed attorneys are all practitioners before the United States District Court of Massachusetts representing law enforcement agencies and officers. We unreservedly support Judge Myong Joun's nomination to become a District Court Judge for the District of Massachusetts.

Prior to becoming an Associate Justice of the Boston Municipal Court, Judge Joun was in private practice with an emphasis on representing plaintiffs in civil rights cases. We have all defended cases that Judge Joun brought on behalf of those plaintiffs. While his knowledge of the law of civil rights and his command of federal civil procedure are beyond question, it is his fundamental commitment to fairness that has brought all of us to the same conclusion: Judge Joun is eminently qualified for appointment to the District Court and would serve it with distinction.

Our experience with Judge Joun as a competent and cordial colleague has carried over to Judge Joun's reputation for overseeing a cordial and civil courtroom in the Boston Municipal Court. Judge Joun is known for the respect that he shows to all litigants who appear before him.

He has shown to us, as lawyers who have had cases with him, or who have appeared before him, that he is a person of deep integrity. We are confident that his judicial temperament and integrity would carry over to the United States District Court and reflect favorably upon it.

It is with great enthusiasm that we endorse the nomination of Judge Myong Joun for the United States District Court of Massachusetts.

Very truly yours,
