Re: Nomination of Christine P. O’Hearn to the District Court for the United States  
District of New Jersey

Dear Chairman Durbin and Ranking Member Grassley:

We write in support of the nomination of Christine P. O’Hearn for the District Court for the District of New Jersey. We urge the Committee and full Senate to promptly review and confirm her nomination.

We are a cross-section of women attorneys in New Jersey who practice in many different areas of the law. We are also committed to the goal of having our federal courts reflect the diversity of lawyers in New Jersey and in particular women.

Ms. O’Hearn has spent her entire career as an attorney based in Camden County, New Jersey. She has represented plaintiffs and defendants, individuals, corporations and governmental entities. She has handled matters in nearly all areas of civil practice – personal injury, product liability, commercial and employment. She is a Certified Civil Trial Attorney by the New Jersey Supreme Court and a Fellow of the American College of Trial Lawyers. We strongly support her nomination to the federal bench.

Sincerely,
